COMMONWEALTH OF MASSACHUSETTS THE APPEALS COURT BOSTON, MASSACHUSETTS 02108

October 25, 2011

Honorable Robert J. Cordy Chair, SJC Rules Committee Supreme Judicial Court John Adams Courthouse Boston, Massachusetts 02108

Re: Continuation of Pilot Program Requiring Appellants to File Docketing Statements in Civil Appeals.

CIVII Appears

Dear Justice Cordy:

On April 20, 2011, the Justices of the Supreme Judicial Court approved the Appeals Court's request to launch a six-month pilot program requiring appellants to file docketing statements in all civil appeals. The pilot program commenced on June 1, 2011. The program has been a success to date, and the Justices of the Appeals Court request that it be continued until December 31, 2012.

The docketing statement provides the court with important background information that is useful when the case is entered and screened, and also while it is under consideration. The docketing statement is posted on the Appeals Court website as a PDF form that has drop-down menus, calendars, and text that will automatically fill in certain information. Attorneys and litigants are able to complete and save the form with little difficulty and then file it by e-mail. At this time, the court has no adjustments to the form that has been in effect since June 1, 2011. A copy of the docketing statement is attached for your review. I will also forward to you an electronic PDF copy to provide you the opportunity to review its various features.

I respectfully request that the Supreme Judicial Court approve the continuation of this pilot program, from December 1, 2011 through December 31, 2012.

Yours sincerely,

Phillip Rapoza

PR/md

PILOT PROGRAM CIVIL DOCKETING STATEMENT INSTRUCTIONS

- 1. Counsel representing an appellant shall file a docketing statement for every case appealed or cross-appealed to the Massachusetts Appeals Court. The docketing statement is available on the Appeals Court's website. It must be received by the Appeals Court's Clerk's Office within fourteen days after the Appeals Court issues the "Notice of Entry" of the appeal. The docketing statement shall be filed by e-mailing the completed form to emotions@appct.state.ma.us. The subject line of the e-mail and the docketing statement's file name shall consist of (a) an abbreviated docket number, e.g., 11P0023 (i.e., a two digit year followed, without a space, by a "P" followed, again without a space, by the last four digits of the docket number); (b) followed by a hyphen; (c) followed by a description of the filing containing no more than 56 characters, indicating what it is and who filed it, for example, "11P0023-Docketing Statement Jason Jones.pdf". Upon motion and a showing of good cause, the court can allow a paper copy to be filed by first-class mail or hand delivery.
- 2. In the case of multiple appellants represented by separate counsel, each counsel for an appellant shall file a separate docketing statement. Counsel representing multiple appellants shall file one docketing statement on behalf of all appellants represented by that counsel.
- 3. Incarcerated self-represented appellants are not required to file a docketing statement at this time.
- 4. All fields and the certificate of service must be completed. If inadequate space has been provided for the information requested, please provide the additional information in an attachment.
- 5. The appellant shall provide a short statement of the anticipated issue(s) on appeal. Failure to identify an appellate issue in this docketing statement will <u>not</u> preclude the appellant or cross-appellant from raising that issue in its principal brief. Appellants in child welfare appeals are exempt from this requirement.
- 6. The docketing statement and certificate of service may be signed electronically by the person filing the docketing statement. The proper format for an electronic signature is "/s/" followed by the name of the filer, e.g., "/s/ Jason Jones". Upon agreement between the parties, service of this docketing statement by electronic mail will be deemed in compliance with Mass.R.A.P. 13(c).
- 7. If the appellant fails to file the docketing statement, the court can decline to act on any motion to enlarge time to file a brief or a motion to stay appellate proceedings, until the appellant has filed the docketing statement.
- 8. For the purposes of this form, the term "impounded" includes any portion of the record that is impounded, sealed, or deemed confidential or excluded from public access by statute, court order, rule, or standing order.

Important Requirements for the Filing of the Brief and Record Appendix

- 9. Parties filing a brief or record appendix that contains impounded material must comply with M.R.A.P. 16(d), 16(m), and 18(g). If a brief or record appendix includes any items listed as "personal identifying data" in the S.J.C.'s Interim Guidelines on Personal Identifying Data, the parties shall comply with the guidelines in all filings with the Appeals Court.
- 10. Mass.R.A.P. 18(b) encourages the parties to agree as to the contents of the appendix. In the absence of agreement, Rule 18(b) requires the appellant to serve on the appellee a statement of the issues and a designation of the parts of the record which the appellant intends to include in the appendix, to which the appellee can designate additional parts of the record.
